

PETERSBURG GRAYS MAKE GOOD MARCH

Return from Camp to Town,
Distance of Five Miles, in
Hour and Quarter.

MR. WILLIAM WARWICK DEAD

Former Well-Known Citizen of
Petersburg Dies in Mississipp—
News of the City.

Times-Dispatch Bureau,
105 North Byramore Street,
Petersburg, Va., July 13, 1908.

The Petersburg Grays spent Saturday night and yesterday in camp near the country Club, in Dinwiddie county, and marched back to town last evening, making a distance of five miles in one hour and a quarter. The time was considered remarkable, considering the warm weather and the fact that each man carried about fifty pounds on his shoulders.

The Interstate Supply Corporation, of Petersburg, has been chartered by the Corporation Commission, the objects and purposes of which are the manufacture and sale of building materials of all kinds. The corporation will do business with a capital stock of not less than \$100,000, with authority to increase it to \$250,000. The officers are Charles Hall Davis, of Petersburg, president; F. J. Cunningham, of Norfolk, vice-president; E. L. Quarles, of Petersburg, secretary and treasurer. Robert Hayes, colored, charged with the theft of a watch in Dinwiddie county, was this morning held for trial in Chesterfield. Hayes betrayed himself by presenting the watch at the jewelry store in this city where the owner had purchased it several days ago. The clerk in the store informed the police, and the arrest followed.

Deaths and Funerals.
A telegram received from his mother in Norfolk announced the death in Mississippi of Mr. William Warwick, a former well-known citizen of Petersburg. Deceased was thirty-one years of age, and during his residence in this city was very popular among the younger people. He was the son of a merchant of the city. He died of typhoid fever, and the remains will be brought here for interment.

The funeral of Thomas Everett Hoy, who died Sunday afternoon, as announced in The Times-Dispatch, will take place Tuesday morning at 10 o'clock from St. Paul's Episcopal Church, of which he was a member. Mr. Hoy was a young man of fine character and devotion to duty. He is survived by four brothers and three sisters—W. P. J. C. J. P. and E. H. Hoy, all of this city, and Mrs. N. H. Willson, of Amelia county, and Misses Annie W. and Margaret E. Hoy, of Petersburg. He was prominent in the city, being an active member of Petersburg Lodge of Masons, Petersburg Lodge of Odd-Fellows, Eureka Lodge of Knights of Pythias, and Petersburg Camp, Woodmen of the World, all of which will pay tribute to his memory.

The funeral of Mrs. Annie H. Hall, widow of George W. Hall, will take place from the residence, No. 207 Brown Street, Tuesday afternoon at 5:30 o'clock.

News Items in Brief.
Several well known horsemen of this city have arranged for a series of races to be held at the tracks of the Riverside Club, in Dinwiddie county, Monday afternoon. One of these races will be for a purse of \$300—a trotting match for which the money was put up to-day, and for which entries were made for three horses owned by R. L. Chambers, J. R. Jones and J. H. Miller, of this city. There will be too other races also.

Sales of tobacco have become so light, that official reports are not made. The stock in the hands of planters in this section is pretty well exhausted. Reports show the growing crop is in excellent condition, promising a larger yield and better quality than that of last year.

Mr. R. E. Brunck will represent the Master Plumbers' Association in the national convention of plumbers to be held in Boston this week.

Wednesday, July 22, will be "tag day" in Petersburg for the Methodist Female Orphan Asylum, an institution which, while called Methodist, is always open to any deserving child of any denomination, and has accomplished wonderful good in rearing girls to honorable womanhood and useful lives. The institution needs a few hundred dollars for necessary improvements, and the young ladies of the city will undertake to raise the amount by "tagging" the public.

It is hoped and believed that the Harrison Street (colored) Baptist Church, cases pending in the Hustings Court will be disposed of at the term beginning on Thursday. In one way or another the troubles of this church have been in court for nearly two years, and have been the cause of a great deal of unfavorable comment in the community. And now there appear on the docket indictments charging the pastor, Rev. Eli Tartt, and some

A HARD CASE

Imagine a man so low with kidney disease that he had to sit up night and day. He even had to sleep sitting up, being unable to lay in his bed or stand on his feet. Yet, after the first condition of W. T. Marquis, the well-known business man of Barlow, Fla.

He went to a sanitarium in Memphis, where he was attended by a physician. They gave up the case and advised that he go home.

On his return he heard of and sent for the new cod liver oil.

The fourth week the heart and droopy began to mend, and the fourth month he was walking all over the town without cane or crutches, and his permits this reference.

No matter what kidney disease is called—whether kidney trouble, Nephritis or Bright's Disease—it is inflammation of the kidneys, and as the old-time fiddle kidney medicine are kidney excitants, you can see why they failed in his case as they have in yours.

Pulmon Renal Compound is the first successful renal emollient, thus reducing the inflammation, and kidney disease is now curable for the first time. Even serious suppurative kidneys yield as above.

ANGRY CROWD IN SEARCH OF BRUTE

Citizens of Franklin County Seeking Will Finney, Who Attempted Assault on Girl.

(Special to The Times-Dispatch.)
ROANOKE, Va., July 13.—News reached here to-day from Sydneyville, Franklin county, of an attempt made by a negro to criminally assault the ten-year-old daughter of Mr. John Jamison, a well-known farmer, who resides near the village. Will Finney, a negro, with Indian blood in his veins, the brute. He was employed by Mr. Jamison.

Saturday Finney did not come to dinner the usual hour, and the little girl was missing. The father, fearing harm had happened to his little daughter, went in search of her. He found where there had been a scuffle, and then followed tracks until he reached an open place, where he saw the negro carrying the girl into the woods. Seeing the father coming, the brute threw the girl down, and hurling heavy pieces of timber at Mr. Jamison, fled.

The little girl was terribly bruised about the head and face, where the negro had struck her. He failed in his attempt, but the little girl is in a serious condition. Bands of armed men are searching for the brute, with threats of lynch law or burning at the stake.

The negro was seen by a small boy yesterday, who told him that men were hunting for him. Mr. N. S. Goode started in pursuit, and the negro fled, leaving his shoes behind. It is thought that it will be impossible for him to escape, as the whole section is aroused.

Caton, of this city, in the State Legislature will not expire for a little over a year to come, and already three candidates have announced their intention of running for the office. Mr. Caton will not again be a candidate for re-election. These candidates are Hon. Monroe, an attorney; Frederick Birrell, a member of the City Council; and Robert W. Arnold, a well-known business man. Quite a bit of electioneering has already been done by the foregoing candidates.

LUMPKIN IS NAMED AND GETS OFFICE

President Again Appoints Him Post-master of Danville, and He Will Now Qualify.

(Special to The Times-Dispatch.)
DANVILLE, Va., July 13.—Another chapter was added to the long drawn out fight in the ranks of the Republican party here over the postmaster, when President Roosevelt, on Saturday, appointed Mr. Frank D. Lumpkin to the position. Mr. Lumpkin will be given his commission and will take charge as soon as he furnishes bond. It is not thought that this will consume much time, and that Mr. C. T. Barksdale will, in a few days, vacate the place he has held for over ten years.

Whether the allied and defeated candidates will continue to make a fight on the confirmation by the Senate committee on the appointment of Mr. Lumpkin is not known. Anyhow, he has the berth engaged until next December at least, and four years longer if the Senate committee ratifies the action of Mr. Roosevelt.

Mr. Barksdale's term of office expired in July, 1906. The action of the Post-Office Department of the government in continually delaying the appointment of a postmaster here is a striking example of the abuse of the appointing power by the President and the Republican leaders. After the Virginia delegates to the National Republican Convention had been instructed for Taft, Mr. Lumpkin was nominated last May to be postmaster at Danville.

The nomination of the President was held up in the Senate committee, and action postponed until December. President Roosevelt decided to appoint a postmaster here during vacation.

Girl Badly Stung by Bees.
(Special to The Times-Dispatch.)
ROANOKE, Va., July 13.—Annie, the ten-year-old daughter of Mr. and Mrs. C. I. Bowles, of Starkeys, Franklin county, while playing in the yard yesterday, overturned a beehive. The bees settled on her and stung her all over her face, head and arms. She suffered intensely for hours before a physician could be gotten. She is in a serious condition.

A Woman's Back
Has many aches and pains caused by weakness and falling, or other displacement, of the pelvic organs. Other symptoms of female weakness are frequent headaches, dizziness, imaginary specks or dark spots floating before the eyes, gnawing sensation in stomach, dragging or bearing down in lower abdominal or pelvic region, faint spells with general weakness.

If any considerable number of the above symptoms are present there is no remedy that will give quicker relief or a more permanent cure than Dr. Pierce's Favorite Prescription. It has a record of over forty years as a remedy for the most potent, invigorating tonic and strengthening agent known in medical science. It is made of the glyceric extracts of native medicinal roots found in our forests and contains not a drop of alcohol or harmful, or habit-forming drugs. Its ingredients are all printed on the bottle-wrapper and attested under oath as correct.

Every ingredient entering into "Favorite Prescription" has the written endorsement of the most eminent medical writers of all the several schools of practice—more valuable than any amount of non-professional testimonials—though the latter are not lacking, having been contributed voluntarily by grateful patients in numbers to exceed the endorsements given to any other medicine extant for the cure of woman's ills.

You cannot afford to accept any medicine of unknown composition as a substitute for this well proven remedy, for known counterfeits even though the dealer may make a little more profit thereby. Four ingredients in regaining health is paramount to any selfish interest of his and it is an insult to your intelligence for him to try to palm off upon you a substitute.

Dr. Pierce's Pleasant Pellets are the original "Little Liver Pills" first put up by old Dr. Pierce over forty years ago, much imitated but never equaled. Little sugar-coated granules—easy to take as candy.

TAMPER WITH GRAND JURIES.
Judge Neal Says This Is Too General and Must Be Stopped.

(Special to The Times-Dispatch.)
RALEIGH, N. C., July 13.—In charging the grand jury for the Wake Criminal Court, convened this morning for a two weeks' term, Judge Walter Neal, of Laurinburg, emphasized especially as deserving punishment efforts on the part of anyone to tamper, even indirectly, with the grand juries with a view to preventing the finding of true bills. He took the position that there is no greater crime than tampering with the grand jury, and he declared his intention to mete out the heaviest possible punishment in every such case. There are thirty-five prisoners in the county jail awaiting trial at this time of the court, none of them for capital offenses, however.

DENIES THAT HE IS "BOOTS."
Negro Arrested in Norfolk Declares He Knows Nothing of Crime.

(Special to The Times-Dispatch.)
RALEIGH, N. C., July 13.—Claiming that his name is Will Wright and not "Boots" Brown, and that he was never in Raleigh before in his life, and is "innocent of the crime as a new-born babe," a negro who answers the description of "Boots" in every particular and is positively identified by a number of people—officers and former associates—has been brought here from Norfolk and committed to jail to await trial for his life for the murder of Sarah Davis here eight years ago.

The prisoner, who he himself knows nothing of the affair, and refuses to recognize any of a number of people who have visited the jail and identified the prisoner as "Boots" Brown.

North Carolina Interests Ask Representation in Norfolk and Southern Receivcrship

(Special to The Times-Dispatch.)
RALEIGH, N. C., July 13.—The indications are that within a few days important changes may be made in the management of the Norfolk and Southern Railroad Company, in that decided objection develops on the part of influential interests to Eastern Carolina, through which most of the truckage of the company extends, being without representation in the receivership or the active management of the company's affairs. There is complaint that a mistake was made by Judge Waddill, of the United States Court for the Eastern District of Virginia, in naming all three of the receivers without reference to the wishes of these Eastern Carolina interests and without consultation with the judge of the Eastern District of North Carolina, through whose court the bulk of the business of the receivership, the Carolina interests, would have to pass in the form of reports and orders of various kinds as the receivership progresses.

It is known that correspondence regarding this matter has passed between parties interested, and that there is to be, probably within a few days, a conference between Judge Waddill, of the Eastern District, and Judge Purnell, of the Eastern Carolina District, this conference to be probably at Wrightsville Beach, where Judge Purnell will spend the next several weeks.

K. M. King, who was intimately connected with the Norfolk and Southern from its inception, and was vice-president until the receivers took charge little more than a week ago, is being urged as a receiver to take the place of one of the three heretofore appointed—Thomas Fitzgerald, Harry K. Woolcott and H. M. Kerr—or else to have Mr. King appointed general manager, instead of having Receiver Fitzgerald serve in this dual capacity. Mr. King is being urged because of his long and intimate connection with the system and his wide acquaintance and great popularity in all sections of East Carolina, into which the system extends.

WOULD HAVE ALVAM MARTIN AS MEMBER OF CONGRESS
(Special to The Times-Dispatch.)
NORFOLK, Va., July 13.—Alvah H. Martin, the local leader of the Republican party in the Tidewater section, is to-night being strongly urged as the Republican nominee for Congress, it being pointed out that his election would mean a great deal for this section, with the bill for the purchase of the Exposition Grounds pending and the port in need of great improvements. The friends of Martin declare, however, that he would decline the nomination.
